

Future Generations University Needs Your Support to Unlock \$100,000 in Matching Funds

An Opportunity to Double Your Impact

Thanks to a Challenge Grant from an anonymous donor every dollar contributed before September 30 will be matched. Your donation helps expand the reach of Future Generations University and advances our mission of research, learning, and action toward inclusive and sustainable community change. Join us in rising to the challenge. We appreciate your support.

**Your
Support
Makes a
Difference**

Enhancing Global Higher Education Access

Our Academic Program supports students and alumni from over fifty countries, providing them with knowledge and skills to drive positive change in their communities. It connects academic concepts with real-world applications as students apply their coursework directly to their communities.

Community Development Across Appalachia

We support local syrup research and production and promote sustainable agroforestry practices that provide economic opportunities for local communities. Supporting K-12 educators in implementing nature-based curricula and assisting veterans in advancing social enterprises.

Maximize Your Donation Today

We believe every community can change for the better through dedication and collaboration. Your gift supports this vision. Donate today to **bring us closer to our goal of raising \$200,000.**

- **Donate Online:** Visit www.future.edu/giving to make your secure online donation.
- **Send a Check:** Mail your contribution to 400 Road Less Traveled Rd. Franklin, WV 26807.
- **Spread the Word:** Share this opportunity and encourage others to donate.

As a token of our gratitude, first-time donors contributing \$100+ will receive a packet of sunflower seeds and a copy of *Appalachian Maple Recipes & Stories from the Mountains*, curated from contributions by local friends, families, and partners.
